

20th Annual  
**Trash to Treasures**

Vintage Street Fair

Saturday, May 25, 2024 8 am to 3 pm

Thank you for your interest in the Trash to Treasures vintage street fair hosted by the Sutter Creek Business & Professionals Association. This is a vintage street faire located in historic downtown Sutter Creek. Last year our event was very well attended and we expect an even larger crowd this year. There will be antique/vintage vendors along Eureka Street and in two parking lots. Vendors selling handmade items will fill 6-8 spaces along Randolph Street. This year we will also have yard sale spaces available on Boston Alley.

Antique vendors may sell antiques, collectibles and crafts made with repurposed or recycled vintage items. At least 80% of the items in your booth should be considered vintage - at least 30 years old or older. We are looking for vintage, mid-century or antique clothing, jewelry, furniture, home décor, architectural salvage, collectibles, art, books, western & garden items & wonderful old junk. Handmade items are just that – handmade by the person selling them. Our yard sale area is new this year and is basically anything new or old you want to sell.

**PLEASE, NO**

**-Selling food or drinks unless you are a food vendor**

**-Vulgar, inappropriate or political items. This is a family friendly event**

**You will be asked to remove any inappropriate items**

- Space fee is \$50 for an area approximately 10' x14'.
- Setup starts at 5:30am. Vendors must unload items then park in designated parking area away from their booth
- You will receive a call/email confirming that your application has been received. I will send you an email just before the event with information on space number/location, set-up, parking, clean-up and general information about the event
- Every effort will be made to give previous vendors the same space but there is no guarantee.
- This is a rain or shine event. The Association is unable to have rain dates or give refunds or credits for booth spaces.
- There is no electricity available
